MISSION REPORT

MISSION OF HOPE

EVERY MAN, WOMAN, AND CHILD.
God is transforming lives all over the world, and we can all be a part of it.
- Brad Johnson

For over 20 years, God has been transforming lives through Mission of Hope. Children are receiving daily, nutritious meals. Students are receiving a quality, Christ-centered education. The sick and injured are receiving life-changing medical care. Lives and communities are being transformed through the gospel of Jesus Christ.

We believe nations can be changed—one life at a time—through people like you who say “yes” to helping those in need.

In this report, you will learn about the great needs and the even greater hope that we have the opportunity to offer. God has equipped each of us uniquely to contribute to His great mission of transforming lives all over the world. As you read through these pages, will you pray and ask God how He wants you to be a part of it?

Together we can help bring life transformation to every man, woman, and child through Jesus Christ. We look forward to working together in 2022—and in the years to come.

Till not one is left,

Brad Johnson
President
Mission of Hope

TRANSFORMING LIVES
As an organization following Jesus Christ, Mission of Hope exists to bring life transformation to every man, woman, and child. With campuses in the Caribbean, we partner with local churches to transform lives through church advancement, nutrition, education, and medical care.

CHURCH ADVANCEMENT
- Sharing the Gospel
- Making Disciples
- Pastoral Training
- Women’s Empowerment

NUTRITION
- School Nutrition Program
- Food Distribution Networks
- Farm School/Seeds Program
- Clean Water
- Team Hope

EDUCATION
- Christ-Centered Curriculum
- Sports Ministries
- Teacher and Administrator Training
- Technical School

MEDICAL CARE
- Clinic of Hope
- Mobile Medical Clinics
- Community Health Initiatives
- Medical Outreach Program

2021 IMPACT
675,507 total lives impacted by seeing, feeling, and hearing the gospel.

God is transforming lives all over the world, and we can all be a part of it.
- Brad Johnson
Local churches are at the center of everything we do. You can help empower local pastors and strengthen local churches to transform their communities and their nation.

**PASTOR WENDEL’S STORY: DOMINICAN REPUBLIC**

Pastor Wendel is committed to serving the people of La Chiba, a small community of roughly 80 families in the Dominican Republic. Despite going through his own personal and overwhelming struggles, Pastor Wendel remained committed to these people. He distributed Bibles and groceries to nearly every family, invested in them personally and always had time to chat. Many of these casual chats led to deeper conversations, prayer, and opportunities to share the gospel. La Chiba was shaken by the past years of instability but God used Mission of Hope, Pastor Wendel, and his local church to help this community discover that Jesus is their rock.

**SHARING THE GOSPEL**

We believe true transformation ultimately comes through Jesus Christ. We strive to embody and share the gospel in every interaction.

**PASTORAL TRAINING**

Our Pastoral Training program provides ongoing biblical training to hundreds of pastors every month. By equipping pastors, the local churches can best serve their communities.

**WOMEN’S EMPOWERMENT**

Through Women’s Empowerment, we desire to equip women to change her story from brokenness to restoration and from shame to redemption through the power of Christ. From scholarships, Mom’s Clubs, Hope for Her, and more, God is redeeming stories of women across the Caribbean.

**MAKING DISCIPLES**

We work with local churches to raise up disciples of Jesus who understand the Bible and are mentoring others so that more people encounter Christ every day.

**CHURCH ADVANCEMENT PROJECTS**

By partnering with local churches, we make sure local communities see the local churches meeting their needs, rather than North Americans. This fosters an openness to the gospel that lasts long after mission teams head home.
A MEAL MAKES ALL THE DIFFERENCE: HAITI
Marie Gabrielle is a school Director in a Minoterie, Haiti. When we asked her about why the nutrition program is important to her students, she shared with us, “I can say that Mission of Hope is a blessing for my school. Before we received nutritious meals through MOH, the children were regularly absent. The reason being, if the parents did not have money or food to give to the children, they left the kids at home. Now, with the meals from MOH, parents have confidence that when they send their children to school, they will have a good meal, and they are now always present in the classroom!

SCHOOL NUTRITION PROGRAM
Mission of Hope’s nutrition program began in 1998 when the students in our classrooms started fainting from hunger. Now we serve over 116,000 daily, nutritious meals. For many children, a meal provided by Mission of Hope may be the only food they receive that day.

FOOD DISTRIBUTION NETWORKS
In addition to our schools, we also have an extensive network of local churches, orphanages, and organizations through which we distribute meals to families in need.

FARM SCHOOL AND SEEDS PROGRAM
We train thousands of farmers to help them feed their families, sell their crops, and combat food shortages with local produce. We have seen a triple digit increase in yields in villages where we’ve introduced a farm school and seeds program.

MEAL PACKING
We partner with businesses, churches and schools around North America to organize and host meal packaging events so that we can provide food for children at hundreds of schools and orphanages across Haiti.

NUTRITION
41,128,963 MEALS DISTRIBUTED THROUGH:

- Nutrition Program
- School Network
- Kids Moved from Hunger to Hope
- Meal Packing Events

Good nutrition is the foundation for healthy bodies and minds. By providing access to a continuum of resources from education to meals to sustainability, Mission of Hope is committed to meeting this basic need and combating malnutrition and starvation.
HIGH SCHOOL GRADUATION: HAITI
Graduating high school is a milestone worth celebrating, and we want to honor all of the seniors from this past year in our schools in Haiti! 208 students from our Titanyen school and 49 students from our Bercy school graduated. To add to the excitement, the 2021 class was the first graduating class from the Bercy school. Even though schools were not able to have traditional graduation ceremonies this year, we celebrate and honor the students.

CHRIST-CENTERED CURRICULUM
Our students learn in a nurturing, Christ-centered environment that helps establish a critical foundation for their relationship with God.

SPORTS MINISTRY
Through the Haiti Sports Complex and sports camps in the Dominican Republic, we provide an avenue for children and young adults to grow their athletic abilities in an environment that teaches them about Christ. Kids learn the importance of teamwork, perseverance, discipline, and how to become men and women of integrity.

TEACHER AND ADMINISTRATOR TRAINING
We provide ongoing training sessions for teachers, administrators, and principals that cover a wide range of topics like classroom management, lesson planning, parent/teacher communication, cultivating a positive learning environment, and fostering a biblical worldview in the classroom.

TECHNICAL SCHOOL
The Technical School trains high school graduates and working professionals in the highest demand trade skills in the Haitian marketplace, including welding, plumbing, electrical, diesel mechanics, HVAC, and Information Technology.

By sponsoring a student, you can provide him or her with a quality, Christ-centered education and a daily nutritious meal.

EDUCATION
13,641 STUDENTS EDUCATED THROUGH:

- Student Sponsorship
- Sports Ministry
- Teacher Training
- Technical School

The most powerful way to change a nation is by starting with a quality, Christ-centered education. Investing in students’ academic and spiritual growth develops leaders that bring hope for the future.
BERTANIA AND BABY BEN: HAITI

Early this year, a young woman named Bertania (pictured below) walked into our Clinic of Hope in Titanyen, Haiti. She was burdened, alone, and confused. Having just lived through a nightmare, she discovered she was pregnant, and no longer wanted to live. Our staff member, Anita, sat with her and shared the truth of how greatly loved she is. Through tears, Bertania listened as God worked through Miss Anita and the Clinic of Hope to remind her of her value, her baby’s value, and the hope they both had for the future because of Jesus. Bertania’s demeanor transformed and she chose life—for herself and her baby. Baby Benedict (Ben) was born October 18, 2021, and both he and his courageous mom are healthy and doing well.

CLINIC OF HOPE

The Clinic of Hope at our Titanyen campus in Haiti sees tens of thousands of patients annually and consists of an outpatient clinic, vision clinic, prosthetics lab, dental clinic, pharmacy, and urgent care center.

MOBILE MEDICAL CLINICS

Volunteer medical teams set up mobile clinics in communities that do not have access to quality medical care. We offer medical consultations, prescribe and fill prescriptions, pray for the patients, and share the gospel.

COMMUNITY HEALTH INITIATIVES

With our partners, we provide vaccinations and offer training on HIV prevention, personal care, and community health education.

MEDICAL OUTREACH PROGRAM (MOPs)

The Medical Outreach Program allows us to develop individualized care plans and form long term relationships with patients and their families by offering in-home visits to patients who are unable to travel to the nearest clinic.

If you are a medical professional, please come serve on a medical mission trip with us.

MEDICAL CARE

23,517 INDIVIDUALS SERVED THROUGH:

Clinic of Hope  Mobile Clinics  Prosthetics Lab  Vision Care

By meeting medical needs of those who are sick, people experience relief and hope in the midst of their pain. Physical healing often opens the door for spiritual conversations and is vital to the holistic life transformation taking place at Mission of Hope.
TEAM HOPE: HAITI

Team Hope is a team of people committed to meeting the most critical needs. It’s a community who believes that we can do more good—for more people—if we work together, until the lives of every man, woman, and child are transformed.

WHAT IS THE MOST CRITICAL NEED?
Right now the most critical need in Haiti is food. Due to rising inflation, political instability, and the devaluation of the Haitian gourde, 4.4 million people in Haiti are in a food insecurity crisis. Now food is more expensive, and their money is worth less. One mother told us it feels like her bread is shrinking.

Although we serve over 116,000 meals to students in our nutrition program every day, there are over 73,000 kids on our waiting list at the start of 2022 who are also in desperate need. We know these kids, and we’re beginning to see their hair turning red—a sign of malnutrition.

HOW CAN YOU HELP?
We believe the current reality in Haiti doesn’t have to be this way. Mothers don’t have to wonder where they will find the next meal for their children, and kids don’t have to go to sleep with empty bellies.

It only costs about $10/month to provide one hot, nutritious meal every day. For many, this will be the only meal they have. Whether you can provide meals for one child or 1,000, you’ll be making a real difference in real people’s lives.

The problem is huge, but when one person says “I want to change one life,” that one life really matters—and that one life changes many lives.

Join Team Hope today, and be a part of moving kids from hunger to hope.

SPONSORSHIP PROGRAM
Student, Village of Hope, and Grace House

Heubreux’s Story
When Heubreux’s mom got sick, his family could no longer afford to send him to school, and he was forced to drop out after kindergarten. When he was 13 years old, a sponsor made it possible for him to go to school again. He started second grade and the students made fun of him because he was so old. He stuck with it. At age 27, he was the first person in his family to ever graduate high school. Now, he is an Education Champion at Mission of Hope, has gotten married, and started a family.

STUDENT SPONSORSHIP | $35/MONTH or $420/YEAR
Give a student in Haiti a quality, Christ-centered education.
Sponsorship Provides:
- Christ-centered curriculum
- Daily, nutritious meal
- Teacher training
- School-specific improvement initiatives
Choose a boy or girl at the Kindergarten, Primary, or Secondary grade levels by visiting missionofhope.com/sponsor.

VILLAGE OF HOPE SPONSORSHIP
$50/MONTH or $600/YEAR
The Village of Hope is Mission of Hope’s orphanage at our campus in Titanyen, Haiti. Our kids are raised in a Christ-centered, supportive community that provides a family environment where they can grow and thrive.
Sponsorship Provides:
- School and tutoring
- Three balanced meals per day
- Housing, utilities, maintenance, and security
- Personal care and hygiene
- Discipleship and mentoring
- Transportation
- Extra-curricular activities

GRACE HOUSE SPONSORSHIP
$50/MONTH or $600/YEAR
The Grace House is an assisted living facility built to address the need for elderly care in Haiti. It provides medical, spiritual, and daily assisted care to the residents.
Sponsorship Provides:
- A safe, clean place to live
- Three meals a day
- Daily medical care
- Full-time on-site caregivers
- Daily activities celebrating their talents and gifts
- End of life medical care
- Funeral and burial expenses
MISSION TRIPS | COME SERVE

Step out of your comfort zone, experience a different culture, and encounter God like never before. On a HopeGo trip, you will serve alongside local churches and leaders to help meet the needs of the people in their communities. We take care of the logistics for you, including ground transportation, meals, lodging, and more, so you can focus on ministry and the needs of your team.

TRIPS WITH MISSION OF HOPE = HOPE GO
Trips include work projects, medical care, disaster response, evangelism, and other ministry opportunities. Help share the hope of Jesus as we work together to bring life transformation to every man, woman, and child.

For more information visit missionofhope.com/mission-trips.

GROUPS AND INDIVIDUALS
Why should you join us on a trip?
- Experience: we coordinate thousands of trips
- Affordable prices
- 50 weeks available every year
- Environment for spiritual growth
- Serve alongside the local church

The gospel will be shared. Lives will be changed.

MEDICAL
Why join our medical mission trips?
- Bring medical care to communities via a mobile medical clinic
- Build relationships with patients you treat
- Meet both physical and spiritual needs
- Serve four full days on medical clinics
- Use your skills to help people in need

Be a part of spiritual and physical healing for those in need.
GET INVOLVED

**PRAY**
Pray that God provides for every man, woman, and child in need and that each will be transformed by a personal relationship with Jesus Christ. As we meet people’s physical needs, this creates an openness to the gospel so that God can meet their spiritual needs. Your prayers are powerful and effective as God works in their lives and in their hearts (I Timothy 2:1).

**GIVE**
Your generosity will help reach more people and meet the greatest needs in the countries in which we serve. By joining Team Hope, you can provide daily, nutritious meals to children who otherwise may not have food each day. By sponsoring a student, you can provide a quality, Christ-centered education. Visit missionofhope.com to learn about the many ways you can transform a life (Hebrews 13:16).

**GO**
Step out of your comfort zone, experience a different culture, and encounter God like never before. On a HopeGo trip, you will serve alongside local churches and leaders to help meet the needs of the people in their communities. Help share the hope of Jesus as we work together to bring life transformation to every man, woman, and child (Matthew 28:19-20).

---

**DISASTER RESPONSE**
341,707 INDIVIDUALS SERVED THROUGH:

- **Food Distribution**
- **Hygiene Kits**
- **Water Distribution**
- **Shelter**
- **Medical Care**

Mission of Hope has been one of the first to step in and meet needs during times of disaster. This year was no different as we responded to hurricanes, tropical storms, and an earthquake. Our partner network makes for efficient and effective distribution, alongside the local church, to get critical aid to those who need it most.

**FINANCIAL STEWARDSHIP**
Giving to Mission of Hope is one of the most efficient and effective uses of your charitable dollar. Over 90% of every dollar given goes to support program activities in the countries we serve. All of our programs are carefully and consistently monitored to ensure maximum impact for the people of Haiti, the Dominican Republic, and throughout the Caribbean.

We know you give because you want to help the people who need it most. We want that as well and are committed to maximizing every gift given for the good of the people and the glory of God.
