INDEPENDENT AUDITOR'S REPORT

Management and Board of Directors Mission of Hope Haiti, Inc. Austin, Texas

We have audited the accompanying financial statements of Mission of Hope Haiti, Inc.(a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

We did not observe the taking of the physical inventories at June 30, 2015, value stated at \$14,143,978. We were unable to obtain sufficient appropriate audit evidence about inventory quantities by other auditing procedures.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of Mission of Hope Haiti, Inc. as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Mission of Hope Haiti, Inc. (the Organization), is a not for profit, faith based corporation organized under Internal Revenue Service (IRS) Code Section 501(c)(3) in the State of Ohio on May 23, 2001. The Vision of the Organization is to bring life transformation to every man, woman, and child in Haiti by following Jesus Christ. The Organization fulfills this Vision by executing on the following core initiatives: church advancement, educational development, health care, orphan care, and the HaitiOne network. The Organization operates in Haiti as Fondation Mission de l'Espoir, a registered Non-Government Organization in Haiti. The Organization has been classified as a publicly supported organization that is not a private foundation under 509(a) of the Code. The donor base of Mission of Hope Haiti, Inc. consists primarily of residents of the United States of America and Canada.

Basis of Accounting

The accounts of the Organization are maintained, and the accompanying financial statements have been prepared on the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses are recorded when the obligation is incurred.

Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with the reporting principles of not-for-profit accounting as defined by current accounting standards for general-purpose external financial statements of not-for-profit organizations.

The accompanying financial statements have been prepared to focus on the Organization as a whole and to present balances and transactions according to the existence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

<u>Unrestricted</u> – Net assets not subject to donor-imposed restrictions. Such assets are available for any purpose consistent with the Organization's mission.

<u>Temporarily Restricted</u> – Net assets subject to specific, donor-imposed restrictions that must be met by actions of the Organization and/or the passage of time. Such assets normally fund specific expenditures of a specific operating or capital nature.

<u>Permanently Restricted</u> – Net assets subject to donor-imposed restrictions requiring they be maintained permanently by the Organization. Such assets are normally restricted to long-term investments with income earned and appreciation available for specific or general Organization purposes. The Organization had no permanently restricted net assets as of June 30, 2015.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Liquidity

Assets are presented in the accompanying statement of financial position according to their nearness of conversion to cash, and liabilities according to the nearness of their maturity and resulting use of cash.

Cash and Cash Equivalents

The Organization considers all bank and similar deposits, demand accounts, money market funds, and short-term investments with an original maturity of three months or less to be cash equivalents. The Organization maintains bank accounts with balances, which, at times, may exceed federally insured limits.

Fair Value Measurements

The Organization categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement. Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities are valued using inputs that are unadjusted quoted prices in active markets accessible at the measurement date of identical financial assets and liabilities. The inputs include those traded on an active exchange, such as the New York Stock Exchange, as well as U.S. Treasury and other U.S. government and agency mortgage-backed securities that are traded by dealers or brokers in active over-the-counter markets.

Level 2 – Financial assets and liabilities are valued using inputs and quoted prices for similar assets, or inputs that are observable, either directly or indirectly for substantially the full term through corroboration with observable market data. Level 2 includes private collateralized mortgage obligations, municipal bonds, and corporate debt securities.

Level 3 – Financial assets and liabilities are valued using pricing inputs which are unobservable for the asset of inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset. Level 3 includes private equity, venture capital, hedge funds and real estate.

Fair Value Measurements (Continued)

Subsequent to initial recognition, the Organization may re-measure the carrying value of assets and liabilities measured on a nonrecurring basis to fair value. Adjustments to fair value usually result when certain assets are impaired. Such assets are written down from their carrying amounts to their fair value.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as temporarily restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service or purchased and reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Property and equipment is depreciated using the straight-line method calculated over the estimated useful lives of three through forty years. All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of the assets are capitalized. The cost of maintenance and repairs that do not materially prolong the useful lives of assets is charged to expense as incurred.

Contributions

All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Contributed Services and Gift-in-Kind Goods Donated

Contributed services meeting the requirement for recognition in the financial statements are recorded at the fair market value of professional services rendered. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization with programs and fundraising activities; however, no amounts have been reflected in the financial statements as these services do not meet the requirement for recognition. The Organization received approximately 241,900 volunteer hours for the year ended June 30, 2015.

Gift-in-Kind (GIK) Received: The organization received GIK donations of food, clothing and medication for use in programs that support its mission and vision. Such gifts are recorded at estimated fair value on the date of donation based on the quantities donated, their condition and utility for use, by using wholesale pricing guides and sources. During the year ended June 30, 2015, donated goods were recorded totaling \$26,495,820. These gifts were predominately contributed by other non-profit corporations and private donors.

Inventories

Inventories at year-end consist of GIK that have not been distributed or used in the operations of the organization as of the end of the fiscal year. The value of the remaining inventory is based on the estimated fair value as of the date of the donation as disclosed in the GIK note. Value of Inventories as of June 30, 2015 is \$14,143,978. This value consists of medicines valued at \$12,894,917 and food and supplies valued at \$1,249,061.

Income Taxes

The Internal Revenue Service has determined that the Organization is a nonprofit Church that is exempt from income taxes under the provisions of Internal Revenue Service Code Section 501(c)(3). Accordingly, no provision for income taxes has been made in these financial statements.

The Organization follows the income tax standard for uncertain tax positions. The Organization evaluated its tax positions and determined it has no uncertain tax positions as of June 30, 2015.

The Organization is not aware of any activities that are subject to tax on unrelated business income or excise or other taxes. The tax years ending 2012 to 2014 are open to examination by federal and state authorities.

Functional Allocation of Expenses

The costs of providing various programs and supporting services of Mission of Hope Haiti, Inc. are allocated based on the best estimates of management.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through February 15, 2016, the date the financial statements were available to be issued.
